CVCC Competition Topics Explained...

- 4 OPEN (lifetime) Any subject, photographed by you at any time in your life.
3 OPEN (this year) Any subject, photographed by you on or after September 22, 2016 .

The following Competition Images must have been photographed on or after September 22, 2016

THREE - Compose your photograph prominently featuring three of something.

Example, three trees prominent in a landscape, three triangles apparent in an architectural shot, etc.

GLASS - Glass of any kind should be prominent in your photo.

This category is open to individual interpretation; be creative!

ANIMAL PORTRAIT - A portrait style photograph of any living animal, domestic or wild; studio shot or environmental portrait.

It can be close up or full body, one or multiple animals as long as the animal is the main subject, in its natural form.

NATURE - Shoot nature as you love it, landscape, macro, scenery, wildlife, day, night, etc.

The only restriction is that there be no "hand of man" visible (fences, roads, utility poles, stone paths, prepared food)

EYES - Prominently feature one or both eyes (or more) of a human, animal, alien, artwork, etc.; live, inanimate, or however you

wish to express this subject. (Not looking for protrusions on potatoes, holes in needles, centers of storms, etc.)

COLLECTION - What do you collect? Show us! Photograph a personal collection of yours or someone else's.

Show all of the items, or just some of them; wide angle, macro or anywhere in between.

SPORTS ACTION - Photograph any action in any sport.

You can freeze the action with a fast shutter speed or show motion with a slow one. Your choice!

MAKE ME LAUGH - Capture humor! A moment something happens unexpectedly or something funny is just going on.

Your photo should "make me laugh", or at least put a smile on the viewer's faces.

FIELD TRIP IMAGES - Your best photographs from CVCC field trips **during calendar year 2017**.

Does not include final field trips from 2016.

Reminders...

Other than OPEN (lifetime) competitions, images must have been photographed on or after September 22, 2016.

You cannot use a previous winning image, or one very much like it in another competition. Maximum mat size for prints is 16" x 20".
